NORTHBRIDGE TECHNOLOGY ALLIANCE

Helping people change the world

We create software solutions for charitable organizations who are engaged in social justice and community-building efforts so that their collective impact is increased.

NORTHBRIDGE TECHNOLOGY ALLIANCE

Helping people change the world

Founded in 2012 by Kathy Flint.

After 20 years in the corporate IT sector, Kathy decided to pursue her lifelong interest in social justice activism by organizing the efforts of skilled IT professionals.

NORTHBRIDGE TECHNOLOGY ALLIANCE

Helping people change the world

Nexus is our collaboration framework that has been in pilot with major Midwest collaborative networks since 2014.

This year Northbridge is funded to provide 15 web meeting rooms to qualifying partners using our new collaboration platform Nexus. [Apply Now](#)
